WHO IS SWEDEN GROUP?

Sweden Group is a boutique consulting and technology firm based in New York City that specializes in on-demand professional services. We're experienced professionals who serve private, public and social sector institutions. Our expertise encompasses a broad range of industries and practice areas.

OUR CREDENTIALS

Sweden Group has helped some of the most successful companies make significant and lasting improvements. Our experienced team includes engineers, designers, entrepreneurs, research scientists, business managers, civil servants, data scientists and other professionals.

OUR SERVICES

Sweden Group is uniquely positioned to help your business to grow and lead, no matter the challenge. Our services are fully customizable to help clients realize their most important goals.

EXPERTS ON DEMAND™

Accomplish goals while efficiently managing resources with short-term support from seasoned professionals matched to your needs.

ADAPTATION

When situations requiring updates necessitate specific changes to approved materials, our company implements client-provided changes on-demand.

PROFESSIONAL SUPPORT

By matching seasoned professionals to our clients' project-based needs, we help clients efficiently manage resources and avoid lost opportunities.

WHAT MAKES SWEDEN GROUP THE RIGHT PARTNER?

ON-DEMAND MODEL

Professional services available as needed to support execution of projects.

FLEXIBLE PARTNERSHIPS

Ability to provide support as a complement agency partner or as the sole agency.

INDEPENDENT PROFESSIONALS CENTER

Talent selected based on experience and expertise.

QUICK START

All it takes to get started is a signed proposal and clear direction.
